

Electa

Unique enjoyment

The unique Electa seduces you with its clean and clear looks, and delivers the perfect level of charming sophistication at the same time.

Clean and Nordic Electa belongs to the elite. A design in which short wall elements of differing widths cast playful shadows to create a characteristic kinetic illusion. It forms an elegant pattern that is neither vivid nor aggressive.

Electa is created in cooperation with the talented Italian architect Luca Donazzolo.

Key features

Heater guard

Electa's wooden heater guard beautifully matches the other interior materials.

Floor

The floor grids come with rubber strips, which prevent the floor from being slippery and the wood from being in direct contact with humidity.

External panelling

External panelling is available for the side and back walls.

Aluminium base frame

The aluminium base frame under the sauna is durable, resistant and very suitable for humid rooms.

Dimensions

Left- or right-handed opening

Materials

Aspen
Alder
Thermo-aspen

Irradia

Radiant recreation

A spectacular sauna with bold looks where your body is warmed by infrared technology and your eyes are pampered by the contemporary design.

One glance at Irradia reveals the discrete harmony of wood and glass. By skilfully combining those two materials, we achieve a semi-transparent front, which is both revealing and concealing.

Irradia is created in cooperation with the talented Italian architect Luca Donazzolo.

Key features

Aluminium base frame

The aluminium base frame under the sauna walls is durable, resistant and very suitable for humid rooms.

Floor

The floor is designed to match the overall style and its grids come with rubber strips.

External panelling

External panelling is available for the side and back walls. Side wall options include either solid wood or glass panels.
